

## Guided Reading Ideas

<b>Book Title and Level</b>	
<u>Supports</u> : How is this book <i>like</i> the books in the previous level? What skills or strategies will children already have that I can remind to use?	
<u>Challenges</u> : How is this book different or more challenging than the previous level? How can I prepare them for a more successful first encounter with this text?	
<u>New Vocabulary</u> : What new words will I need to include in the book introduction?	
<u>Possible Teaching Points</u> : What explicit strategy instruction might support children who are new to this level of texts?	
<u>White Board/Extensions</u> : What possible word or language work might come out of reading this text?
