***Peace through  
Understanding***

# A Message from PTPI President/CEO Mary Jean Eisenhower

People to People International is proud to celebrate more than 50 years of creating *Peace through Understanding*. Through a myriad of worthwhile programs and activities, we have shown millions of people over the years that the only prerequisite for creating tolerance and understanding is a kind heart and a willingness to make a difference.

As we look toward PTPI's next half-century, it is essential for our organization to enlist the help and great potential of the world's youth. The leaders of tomorrow must be equipped with the skills and knowledge to collaborate with their peers in achieving harmony on a global scale. At the center of this vision is PTPI's Student Chapter Network.

PTPI Student Chapters provide a unique ability to combine cultural awareness and humanitarianism with leadership and character development. By doing so, chapter members become compassionate and informed members of the global community. Their knowledge of other nations and people is matched only by the sincere desire to reach out to those around them, replacing cultural barriers with goodwill and empowering students to form bonds at an early age that can blossom into a more peaceful society in the future.

I invite you to carefully read the following information, and to consider the impact that a PTPI Student Chapter could make in your school or community. We believe you will agree this program can inspire profound results in the young leaders guiding the chapter, as well as all people that become connected with such a group.

We certainly hope that you and your prospective chapter will become part of the PTPI family, and look forward to engaging you with our Student Chapter network very soon.

Your Partner in Peace,

Mary Jean Eisenhower  
President / Chief Executive Officer  
People to People International

## What is a PTPI Student Chapter?

Chapters are the backbone of People to People International, bringing the ideals of international understanding and education to life at a local level. There are thousands of students and adults involved in PTPI's chapter network throughout the United States, Latin America, Africa, Asia, Europe and the Mid-East.

A PTPI Student Chapter is a membership-based group that gives students (ages 13-18) the opportunity to promote *Peace through Understanding* in their school or community on a daily basis. Chapters participate in activities devoted to cultural understanding and humanitarianism. Student Chapter members also enhance leadership and team-building skills, resulting in students of great character with an increased appreciation of diverse people and cultures.

Our founder, President Dwight D. Eisenhower, firmly believed that the youth of today are the leaders of tomorrow. He was also passionate in his belief in the natural resilience of all people. PTPI Student Chapters promote positive youth development to enable students to become effective global citizens.

PTPI's Central Valley Student Chapter in Stockton, California USA paints world maps on the playgrounds of elementary schools. They use this project as a forum to teach schoolchildren about the world and the importance of PTPI's mission.

## Why should I join a PTPI Student Chapter?

First and foremost, the mission of People to People International is more important now than ever before. In today's society, it is imperative that we grow to understand and appreciate the unique cultures that shape our world. PTPI Student Chapters engage students in critical thoughts and actions that lead to understanding, which yields positive results from simple friendships to long-lasting peaceful relationships.

In addition, PTPI Student Chapters are leading the way in making a difference through humanitarian efforts. Thousands of people have benefited from the hard work and generosity of chapter members. Chapters also unlock the full potential of PTPI. From scholarships and awards to exclusive PTPI conferences and camps held worldwide, the possibilities are endless for PTPI Student Chapter members. It's no wonder that this program is quickly becoming the activity of choice for students around the world!

Anyone can join a PTPI Student Chapter—traveling or previous PTPI involvement is not required. If you have an interest in our world and believe that you can make an impact in your community and beyond, join us in creating *Peace through Understanding* by joining or starting a PTPI Student Chapter!

## What does a PTPI Student Chapter do?

Student Chapter members participate in projects focused on the following:

1. Cultural/international education
2. Humanitarian and service efforts
3. Fundraising
4. Membership Recruitment

PTPI is continually working to support its chapters by providing new opportunities. For example, PTPI has developed a system of engaging chapters throughout the year in cultural initiatives. Each chapter can select one or more countries to explore during the year, by learning about a preset topic in their chosen country, and then comparing this component of the culture to that of their home country.

## Pharaohs of Peace Student Chapter (Cairo, Egypt)

PTPI's Pharaohs of Peace Student Chapter was formed on April 1, 2004, by Ahmed Roushdy, who was introduced to the organization during PTPI's Peace Camp 2003. Its members are committed to making the chapter a very influential youth group in Cairo. The Pharaohs of Peace Student Chapter has networked with other organizations and many businesses to promote People to People International and the chapter. Since being chartered, the group has held community

## GIFT Student Chapter (Secaucus, New Jersey USA)

PTPI's GIFT (Go International, For Tomorrow) Student Chapter was started in September 2003 by Kevin Williams, an eighth grade student who previously traveled with PTPI's Student Ambassador program. In the beginning, GIFT had 14 members; today, more than 90 members take part. Chapter programs have included: a community event celebrating Chinese New Year; making bird houses to help preserve native New Jersey birds; awarding scholarships to local high school students; and supporting Global Youth Service Day by collecting more than 5,000 books to support Cambodian libraries. PTPI's GIFT Student Chapter is helping PTPI to lead the way in bridging cultures and making a difference in the world.

In addition, chapters have the flexibility to develop their own programs and projects, which are aimed to stimulate students' initiative and also empower them to take a greater sense of pride and ownership in their PTPI Student Chapter experience.

### How do I form a Student Chapter?

Identify friends, classmates, teachers, school administrators, leaders and/or students from a People to People Ambassador experience, and anyone else that would like to join. A chapter must begin with a minimum of ten student members (up to age 18) and one adult advisor (age 21 or older), who serves as a mentor and source of guidance and inspiration for the group.

Contact PTPI World Headquarters ([youthdirector@ptpi.org](mailto:youthdirector@ptpi.org) or 800.676.PTPI (7874)) or PTPI European Office at +49 (0)30 88916433 or [programs-europe@ptpi.org](mailto:programs-europe@ptpi.org). PTPI can provide you with advice and information as you start your chapter, and can connect you with established chapters so you can learn first-hand how your group can be a successful part of our network.

Find a site to host the monthly chapter meeting, and hold the first informational/planning meeting with your new chapter. During this meeting, you will need to:

- Name your chapter
- Elect chapter officers
- Get input from all chapter members regarding the kinds of activities and projects that they wish to do as a PTPI Student Chapter.

The last step is easy: complete the chapter application packet in this starter pack (Annex A-E) and submit these forms to PTPI World Headquarters along with your chapter dues. PTPI will then review your information, and you can become an official

**Section 7**— The Secretary shall be responsible for keeping minutes of each meeting, submitting membership updates and other reports as needed to PTPI World Headquarters, overseeing the chapter's historical files, and leading all public relations efforts—including chapter newsletters, press releases, and web site. Please note that additional officers may be installed to perform a portion of these duties, as determined by the chapter's Executive Committee.

**Section 8**—The Treasurer shall be responsible for the collection, administration and distribution of all chapter funds. Included in these duties is the collection of membership dues, a portion of which must be sent to PTPI World Headquarters. **Section 2**—The committees shall be directed by a Committee chairperson, who shall be appointed by and responsible to the President or a specified Vice President.

## **ARTICLE VI—Meetings**

**Section 1**—The chapter shall hold one (1) meeting annually to elect officers. The nomination and election process shall be executed as dictated in Article IV of these Bylaws, as well as instructions given in the PTPI Student Chapter Manual.

**Section 2**—A minimum of one (1) general chapter meeting shall be held each month of the calendar year, and shall be open to all members in good standing. Student Chapters may hold a bi-monthly or quarterly meeting only if necessitated by school or family vacation schedules (Example: summer vacation). Meetings shall be held at a venue to be determined by the chapter's President and/or Executive Committee.

The chapter's membership shall be notified of the place, date, and time of the chapter's monthly meeting. This notification can be done in writing or verbally, and shall be made far enough in advance that all chapter members have the opportunity to attend.

**Section 3**—Special meetings may be called by the President and/or Adult Advisor or, on written petition, by one-fifth (20%) of the chapter's current membership. As with general meetings, this meeting shall be announced well in advance. In addition, the topic of the meeting shall be made known at the time of notification.

**Section 4**—At all chapter meetings, one-third of the total membership shall constitute a quorum for the transaction of business, and the act of a majority of the members present at which there is a quorum shall be the act of the membership.

**Section 5**— The Executive Committee shall meet no less than four (4) times per calendar year to plan and execute the business of the chapter.

## **ARTICLE VII—Fiscal Year**

**Section 1**— The chapter's fiscal year shall begin on June 1 and end on May 31 of the following calendar year.

**Section 2**—Upon completion of the fiscal year, a financial statement shall be submitted to PTPI World Headquarters as part of the chapter's Annual Report.

## **ARTICLE VIII—Membership**

**Section 1**—Any person may become a member of this PTPI Student Chapter upon payment of established dues to the Treasurer, and may continue such membership by the annual payment of dues. No person shall be denied membership for reasons associated with physical characteristics or personal beliefs.

**Section 2**—Special dues, assessments or contributions—that are above the required dues set by PTPI World Headquarters—received by the chapter for the purpose of supporting the chapter activities shall be the property of the chapter and must be deposited in the chapter treasury.

**Section 3**—Select PTPI Ambassador Program participants receive a one year membership to PTPI, which begins on the date of travel. Some will transfer this membership to a local chapter. If the member chooses to join this chapter, the chapter will not receive membership dues on their behalf. The chapter can require the new member to pay any special dues created in accordance with these Bylaws. Payment of annual PTPI/chapter membership dues shall begin in the next calendar year after travel.

**Section 4**—PTPI Student Chapter membership entitles the individual to: participate in PTPI programs, attend meetings of the general membership and of any committees to which the member is assigned, be elected as a chapter officer, and vote at chapter/committee meetings as allowed by their status within the chapter or committee.

**Section 5**—PTPI Student Chapter membership may be revoked by the chapter or by PTPI World Headquarters for failure to pay membership dues or for actions deemed detrimental to the mission and goals of PTPI and this chapter. Revocation of membership by the chapter requires a majority vote of the chapter's Executive Committee.

**ARTICLE IX—Charter**

**Section 1**—An official People to People International charter shall be issued to a chapter by PTPI World Headquarters, upon receipt and approval of the following information:

- A—Chapter Bylaws, with written acceptance by all first-term officers of the chapter;
- B—Completed Charter Application;
- C—Chapter Officer Form listing the first-term officers;
- D—Membership Roster, noting a minimum of ten (10) student members and one (1) adult advisor;
- E—Membership dues, as required by PTPI and noted in the PTPI Membership Roster;
- F—Program of Activities Form.

**Section 2**—Issuance of a charter is based solely upon the discretion and prerogative of PTPI World Headquarters.

**Section 3**—A chapter’s charter may be revoked by PTPI World Headquarters at any time if a chapter has in any manner failed to perform its required functions, properly promote the mission and beliefs of People to People International, or comply with any of the terms, conditions and limitations imposed upon the chapter by the Articles of Incorporation, Bylaws and/or Constitution of People to People International. In addition, the charter will be automatically revoked if chapter membership falls below the required total of ten (10) current memberships, attempts to operate without an adult advisor, and/or fails to complete the required annual programming and reports mandated by PTPI World Headquarters.

**ARTICLE X—Process of Chapter Closing**

**Section 1**—In the event of a chapter closing, including the revocation of a charter by PTPI World Headquarters, the procedure shall be as follows:

- A—All chapter files at PTPI World Headquarters will be closed, and contact information will be removed from PTPI mailing lists, web sites and directories. The chapter will immediately be considered defunct and/or inactive. In the case of United States-based chapters, the U.S. Internal Revenue Service will be notified and the chapter’s 501(c)(3) status will be revoked.

- B—The chapter’s charter and all manuals, brochures and documents must be returned to PTPI World Headquarters.
- C—The chapter treasury shall be closed immediately, as there will be no purpose for the chapter funds. Chapter funds accumulated during the lifetime of the chapter and used for membership, administration, meeting and mailing expenses, insurance, etc., are property of the chapter. When the chapter ceases to function there is no longer a need for such funds. The chapter will work with PTPI World Headquarters to decide how funds in the chapter treasury will be distributed. The funds, at the discretion of the PTPI Youth Programs Department and the Chief Executive Officer, are generally placed in the Chapter Development Fund of the PTPI Endowment and marked as a contribution from the chapter.

**ARTICLE XI - Amendments**

**Section 1**— These Bylaws are subject to such future amendments as may be later enacted by PTPI, its Board of Directors, or Board of Trustees, and shall be binding upon each chapter. When an amendment is made, the chapter is expected to comply with the amendment within one (1) calendar year of the amendment date. Any circumstance whereby the chapter can not comply with an amendment shall be addressed on a case-by-case basis between PTPI World Headquarters and the chapter’s Executive Committee.

**Section 2**—All other matters relating to the operation of local chapters not specifically covered in these Bylaws, shall be governed by Robert’s Rules of Order Newly Revised or a similar parliamentary procedure agreed upon by the chapter’s membership at the time of charter application. In addition, PTPI Student Chapters shall adhere to all rules and regulations set forth by the PTPI Student Chapter Manual.

We, the undersigned, acknowledge and hereby accept these Bylaws as they are written:
