

Global Youth Service Day April 15 – 17, 2011

Millions of youth. Thousands of projects. 100+ countries.

Each year, millions of children and youth around the world work together with schools, youth organizations, nonprofits, community and faith-based organizations, volunteer and national service programs, government agencies, faith communities, and other individuals to address the world's most critical issues and change their communities on Global Youth Service Day

About GYSD

Global Youth Service Day is an annual campaign that celebrates and mobilizes the millions of children and youth who improve their communities each day of the year through service and service-learning. Established in 1988, Global Youth Service Day is the largest service event in the world - and the only day of service dedicated to children and youth - and is celebrated each year in over 100 countries.
