

PELJEŠAC wine tour

This exclusive excursion gives you a real taste of the region! Enjoy a scenic ride along Adriatic coastal road, taste local oysters in Mali Ston – center of oyster production in Croatia.

Wonderfull landscapes of peninsula of Pelješac will stun and amaze you. Vineyards and mediterranean vegetation give this region an unforgatttable mark.

Town of Ston, a small fortified, medieval town boasts with longest defensive walls in Europe (5,5km) built in 14th century to protect salt pans of Ston – main income of Republic of Dubrovnik.

Two wineries that we will visit are among best in Croatia, and one of them produces well known Croatian red wine – Dingač.
