

"Transforming Curriculum Through Collaboration"
March 13-15, 2014

**TEACHING, LEARNING AND
ASSESSING MATHEMATICS
USING AERO & COMMON
CORE STANDARDS**

BY ERMA ANDERSON

MARCH 16, 2014

9:00–12:00

**IMPERIAL RIDING SCHOOL RENAISSANCE
VIENNA HOTEL**

Audience: Curriculum Directors and Principals

Description: Erma Anderson, an international leader in the areas of mathematics and science will hold a session for curriculum directors and K–8 principals on the importance of the instruction of mathematics. Whether your school uses the Common Core or AERO, teachers need to know how to teach for conceptual understanding. Join us for a hands-on experience and discussions about the teaching of mathematics.

Cost: No cost

Registration: Send an email to Sue Williams, at swilliams@aswarsaw.org

Deadline: March 1st, 2014
