

AISB
AMERICAN INTERNATIONAL
SCHOOL OF BUDAPEST

In collaboration with CEESA, AISB presents

HIGH SCHOOL MATH

JOB ALIKE

DATE May 3-4, 2019

LOCATION AIS Budapest

Objectives:

- Work together with IB DP Mathematics teachers in order to better understand the new IB DP Mathematics curriculum changes.
- Leave the conference with a larger set of resources for teaching and assessing the new DP courses (e.g., scope and sequence, assessments, lesson plans).
- Consider implications for the vertical progression for grades 9-10.

Registration: There is no fee for the Job Alike. To register, [click here](#). Registration closes April 15, 2019.

Accommodations: We have reserved a block of rooms for participants at a discounted rate. Upon registration, you will receive the form to submit directly to the hotel. The deadline to secure the group rate is April 2, 2019.

Agenda: Please [click here](#) to see the detailed agenda.

Budapest Information: For more information on our city, including transportation, currency, food, and cultural interests, please [click here](#).

Transportation: Return transportation will be provided between the hotel and the school on Friday and Saturday.

Meals: Lunch and morning and afternoon snacks will be provided by CEESA and AISB. Evening meals are at the participant's expense.
