Where in the World - Asia

*Where in the World - Asia*

*A series of lessons which examine the problem of world hunger from a geographical perspective*

Age Range: Grades 5-7  
Subject: Social Studies  
Developed by the WFP Youth Outreach Team

**Overview**

*Map skills, coordinates, relative and absolute location, critical thinking, research, writing to inform.*

This research activity is part of a geography-themed series: “Where in the World.” The activities are designed to be covered over a series of lessons. The end result will be an understanding of hunger issues in a particular country, as well as an understanding that hunger is a global issue which affects countries in all areas of the planet.

Through research and the application of mapping skills, students will gain an understanding of the problems of hunger and poverty around the world, the strategies being employed to combat the effects of these problems, and the efforts being made to create sustainable solutions.

**Aims & Objectives**

- To inform students of the absolute and relative locations of countries
- To raise awareness of hunger issues, and reinforce the point that hunger is a global problem
- To teach about the economic profiles of countries around the world, and encourage comparisons.

**Preparation**

- Make copies of the Where in the World activity sheets (3 total)
- Markers, crayons, or colored pencils
- Access to the internet

**Instructions**

1. Pass out activity sheets. Allow students time to fill in the map.
2. Using information found at: [http://www.wfp.org/countries](http://www.wfp.org/countries), ask students to color the countries which WFP has active programs.
3. Assign each student a country where WFP has an active program and have them complete the country fact sheet
4. Have each student answer the question sheet, then write a one page profile of their country and present it to the class.
